

Dear Client

Here at Centrex we are always trying to satisfy our-customers' needs to the best of our ability. Attached are our buffet menus to suit every occasion.

We can cater for your every requirement so why not combine an early morning meeting with one of our Breakfast Menus or pastry selections? Our "working lunch" menus are ideally suited to small business meetings or seminars during the day where a light informal meal is required within the meeting room. Our more extensive menus provide a selection of hot and cold buffet items which are suited to a more formal business or celebration event with time to enjoy a relaxing seated lunch or dinner. As some of these menu items are presented hot they shall be served in our Buffet Lounge.

Depending on the type of event you wish to book we understand you may have specific menu requests. The Centrex team will be happy to discuss these with you at the time of booking.

We would advise that in order for us to guarantee the menu of your choice 48 hours notice period must be provided.

We look forward to welcoming you to Centrex Conference Centre

Centrex Team
